

VISTA MARIA

MENTAL HEALTH: Continuum of Care

RESTORING YOUTHS' MENTAL HEALTH

Vista Maria's Mental Health Programs help adolescents successfully manage psychiatric conditions so they may heal, transform and move into less-restrictive environments.

Youths admitted to the Mental Health Programs must be between the ages of 11 and 17. General symptoms for admission include, but are not limited to:

- *Suicidal ideations and attempts*
- *Major depressive disorder*
- *Post-traumatic stress disorder*
- *Adjustment reaction with mood disturbance*
- *Bi-Polar disorder*
- *Anxiety disorder*
- *Impulse control disorder*
- *Self-injurious behaviors*

OUR FOCUS

Vista Maria is a place for youth and their families to realize a life beyond trauma and ignite a life of possibility. We are fearless in our commitment to keep them safe, to make them strong and our courageous compassion finds new ways to bring wholeness and possibility to those who need it most.

ABOUT VISTA MARIA

We know that it takes a Fearless Heart to overcome the challenges of abuse and trauma and move forward. An unwavering courage, limitless love and positive vision that was embodied in 1883 by our founder, Sister Mary Euphrasia and carried on today by each one of us. What began as a home for girls and women in need has evolved to encompass mental health services, education, after school care, foster care, adoption, independent living, care for the survivors of human trafficking and advocacy for the welfare of children.

AFFILIATIONS:

- *Council on Accreditation for Children and Family Services*
- *The Child Welfare League of America*
- *The Sisters of the Good Shepherd*
